MEMORANDUM FOR THE EXECUTIVE FOR A & H

STATINTL

Subject: [REDACTED]

STATINTL

The case of [REDACTED] is being satisfactorily settled, and final payments are being arranged. A side problem has arisen from the following facts:

STATINTL

While waiting for word from OGC, Mr. [REDACTED] applied for unemployment compensation and actually received some checks. Upon the understanding that he would be paid per diem for the period he was waiting here, he returned these checks to Social Security. He will now apply for reissue on the basis of his mistaken understanding.

He may call this office for assistance. If such a request comes to your attention, I feel we should do whatever we can to assist him in obtaining reissuance of the unemployment compensation checks.
